KEY POINTS & INFORMATION

- Value of the card is approximately \$50 – sell for \$10 – up to 55% profit! Your organization could profit \$4.50 on each card sold with the individual seller earning \$1.00 per card as an incentive or the entire \$5.50 could be deposited in the organization's treasury or deposited in the seller's student account – your choice.
- The card offers are valid at all of the over 1500 Casey's General Stores in 9 states.
- No minimum order of cards (suggest 10 cards per seller) – return unsold cards with check for cards sold. Sales Envelopes for each seller with an order form on the back and protective sleeves for the cards will be supplied.
- Current society trends are based toward convenience stores – you are selling something your community members will use and appreciate
- Minimal management and clerical issues for acquisition, distribution, and money collection for the cards make this a very easy and clean sales campaign
- You can also order and reorder cards online: www.harmisonfundraising.com.
- The Casey's Cares Cards are only available exclusively through Harmison's Hometown Fundraising.
